Description			
Provide a short description of the event and its activities.			
<p>Instead of the planned single event training sessions for Latvian ex-pats were expanded to three events.</p> <p>Here is described the second, that was organised with the schoolchildren of senior classes in the European School Berkendael (Brussels), Latvian classes. The information leaflet that was prepared before this meeting, is added as <i>Annex 1</i>. The training session took place on the 15th April 2024 in the school.</p>			

There were two consecutive meetings with two classes (25 people), using an adjusted agenda (see below). Should be noted that children were quite active in the discussion and showed an excellent understanding of the complex nature of political processes.

Agenda of the meeting:

0:00 – 0:10 **Presentation of MobileCIT project** – idea and aims of the project.

0 :10 – 0 :45 **Discussion with gamification elements**. We divided the classes in two groups and invited them to discuss three questions of the Open2Vote.eu question list. One part of the class had to provide arguments «For» the cause and the other : «Against».

0:45 – 1:00 **Discussion on politics and EU politics** in general. Discussion about the burden of a decision in politics, about the political activism and consequences, if the citizens are not active in politics.

(See Annex 1 – the explanation to the school about the planned event; Annex 2 – the presentation of the MobileCIT project).
